

Societies Fair

Session Overview

In this session you will showcase the society you have created in Minecraft and will also explore the societies created by other groups.

Learning Objectives

By the end of this session you should have: -

- Showcased your society to other groups.
- Learned about the societies other groups have created.

A Minecraft-style landscape featuring a body of water on the left, a grassy shore with a series of steps leading up to a line of trees, and a large tree trunk on the right. The text "Wrapping Up" is overlaid in a pixelated font.

Wrapping Up

Learning Objectives Revisited

You should now have: -

- Showcased your society to other groups.
- Learned about the societies other groups have created.

A Minecraft boat constructed from wooden planks, floating on a vast blue ocean. The boat has a tall, white, stepped sail. A player character is visible on the deck. The text "Any Questions?" is overlaid in a large, white, pixelated font across the middle of the image.
